

Delve into a Book

AIPC has published many titles in English – topics include Polish history, culture, science and ties with other nations. **We are offering 40% off the prices listed below to members.**

You will find many informative and fascinating volumes on the list. You can choose from *Conrad And His Contemporaries*; general history; *Polish Contributions to Latin American Culture*; or political thinking, *The Accomplished Senator*, which might have influenced Thomas Jefferson when he was framing The Declaration of Independence and the United States Constitution. We have also published 5 volumes of Jasienica's famous *The Saga of the Nations*, in which you can read about the history of Poland from the inception of the state to the 19th century.

Please look over the list on this page and order today to take advantage of our current discounts. The prices quoted do not include postage. Please call the Institute to ask about shipping and handling options.
