## EASTER PARTY TIME!

We love a party here at the Institute. Along with the Chopin Foundation, AIPC hosted the annual Easter-Spring celebration in our offices on April 16, 2019. There were so many new faces among the 70+ guests which is rewarding. We encourage people to join the Institute and we enjoy seeing them at our events throughout the year.

This year we were pleased to once again welcome nine-year old Nel Velez-Paszyc who performed two lovely piano pieces by Polish composers - Alexandre Tansman and Fryderyk Chopin - with precision and grace. Next up was Maximilian Swietelsky, a 16 year old pianist on the rise who is also a found-

ing member of Rising Stars Miami. His playing impressed the guests.

The raffle was a big hit with Polish sweets and other goodies, and free tickets to hear classical music at a high end venue, to enjoy a day at the Perez Art Museum or to attend a sumptuous Polonaise Ball brunch. Our office get-togethers owe much to the help of Institute friends and members. This year thanks go to Zbigniew Slabicki and Maria Blacha for their food and beverage expertise, and Agata Jacek, the energetic raffle master. It was a pleasure to see three generations of families and so many youngsters have another fun day with us.
